UNDERHOOD LIGHT ON LITEPERCH™

The Quick & Easy Way to Light Up the Engine Compartment • The Original & Still the Best

13003 Central Tools Underhood™ Lite and LitePerch®

- Gives hands-free lighting of entire engine compartment
- Avoid awkward and dangerous halogen lights
- Works on all passenger cars and light duty trucks
- Underhood™ Lite, Part #13001, features:
 - 25 watt cool running fluorescent bulb
 - Shatterproof housing
 - 25' 18/2 SJTOW cord is oil and waterresistant for superior life
 - Light is 44" long
- LitePerch®, Part #13002, features:
 - Works on all cars and light duty trucks
 - Opens up from 4' to 6'6"
 - Self adjusts to fit the hood
 - The light is easily positioned to better illuminate your work area
 - Covered arms protect the hood from scratches
- Made in USA

121CP Super Bounce Lite® - 13 Watt Work Lights

- Bounces instead of breaking
- Features patented Bounce-Bulb® technology
- Heavier housing and end caps for improved durability
- Housing has built in diffuser for more even lighting
- Unique two piece end cap construction for improved protection
- Flat bottom on cord end cap keeps light from rolling over when laid down flat
- Cold weather cord - 18/2 SJEOW for superior cold weather flexibility on corded lights
- Cord provides exceptional oil, water and abrasion resistance
- Fully enclosed safety switch - light is also available without a switch and on an auto reel
- Heavy duty swivel hook
- Made in USA
